

Volunteer for the Torrance Adventures in Art program at Hickory Elementary School!

No art experience is required! Just a love of art and willingness to share it with kids!

Docent: You need to attend the Premiere and 5 workshops along with all the other Hickory volunteers. At each workshop you will be taught a fun art project by an artist selected by Torrance Adventures in Art. The workshops will be attended by all docent volunteers from your school and from all Torrance schools involved in the program. After receiving training, the docent then returns to the school and shares this project in their classroom.

Assistant: Does not attend workshops or lead class. The docent assistant helps with set up and clean up during scheduled classroom time under the docent's direction.
