

SCRIP SALES BEGIN SEPTEMBER 18 !!!

It's time to replenish your scrip! Scrip sales will begin in earnest on Friday, September 18th, in Room 31. Use the order form on the back to get your order ready today!

What is SCRIP? Scrip is a variety of gift cards for restaurants and stores that you buy directly from the Hickory PTA. See the order form on the back to see which restaurants and stores are offered. Scrip purchases can be for your own use or for family and friends. Scrip is also easy to use as gifts for teachers. Each teacher has a scrip wish list for classroom needs.

Why buy SCRIP? Every scrip purchase you make earns your teacher some money. Your teacher uses this money to help buy supplies for your child's classroom. The more you purchase, the more your teacher earns.

How do you buy SCRIP? Scrip is sold in Room 31 located across from the office during these times:

Monday morning from 8:45 – 9:30 am

Friday mornings from 8:45 – 9:30 am

You may also turn in an order form to the PTA box located in the office or to the scrip drawer located in Room 31 anytime. Your order can be sent home with your child with a signed release on the order form (lower left corner). Most items are readily available with special orders (right side of order form) usually filled within one week (when ordered by Friday).
